F) The representation fee deduction shall commence for each employee who elects not to become a member of the Union on the 31st day following the beginning of the employee's employment in a position covered by this Agreement, or the 10th day following the employee's reentry into a position covered by this Agreement, whichever is applicable. If an employee retires and is fully vested in the pension system, then that employee shall be entitled to six months accrual of vacation benefits if the employee retires between January 1 of the year and June 30 and the full accrual of benefits if they retire July 1 or later.

C) Unused vacation may not be carried over. However, if the employee cannot use their vacation time because of the demands of their job, and will lose it, the employee shall be entitled to be paid for the vacation the employee was unable to use or, with the approval of the Director, up to five days may be carried over to the next year.

D) Vacations shall be approved according to seniority with employees with the greatest seniority being given first preference. Vacation schedules must be arranged so as not to interfere with Parking Authority business. If an employee wishes to exercise seniority, his/her vacation request shall be submitted no later than March 31 for vacation time between April 1 and December 31. Vacation requests for time between January 1 and March 31 shall be granted on a first come, first served basis.

E) Vacation time must be used in increments of five (5) days or more with the exception that, if approved by the employer two weeks in advance, an employee may take up to five (5) separate vacation days in one year.

F) Employees absent from work due to a work related injury or illness (i.e. on workers' compensation) shall earn their full vacation entitlement. Employees absent from work on approved medical leave, for a period not exceeding six (6) months during the calendar year, shall also earn their full vacation entitlement. If the employee is absent for more than six (6) months, he/she will be entitled to one-half their vacation entitlement. Employees absent from work on a leave of absence for longer than thirty (30) days shall not accrue vacation benefits for the year they were so absent and do not accrue a year of service for vacation leave.

G) Upon separation from employment, an employee shall be paid for all accrued but unused vacation time.

H) The Parking Authority shall allow at least two cashiers to use vacation time at the same time except if this will result in the denial of vacation time for employees with more seniority and there are no other employees available and capable to fill in.

ARTICLE XVII – RATES OF PAY

A) Any employee who performs work in a higher paid classification for at least two (2) hours shall be paid the higher rate for that position for all hours spent working in the higher classification. Work performed in a higher paid classification for less than two (2) hours shall be paid at the employee's regular rate of pay.

These payments shall be inclusive of any additional payments required by state law or mandate.

B) When an employee or spouse reaches age 65 and is entitled to Medicare, the Parking Authority will reimburse the employee for the cost of the Medicare plan and any supplements thereto.

C) The Parking Authority agrees to provide fully paid health insurance as a supplement to Medicare for any employee who retires with twenty-five (25) years or more of service with the Parking Authority. Any employee who retires from active employment with the Parking Authority may continue to receive benefits through the Dental Plan upon timely request and payment of the applicable premium by the retired employee.

E) The prescription co-pay shall increase for the employee and family and coverage may change as the City of Camden provider mandates.

F) Any employee covered by this Agreement may choose, in writing, during the open enrollment period, to participate in the "Optional Health Benefits Program." Participation in this program is totally voluntary and is intended for those employees who are covered by health insurance through a working spouse or who choose not to maintain the Parking Authority's health insurance.

1) An employee may choose to participate in this program, upon proper proof of other coverage, shall receive an incentive equal to 25% of the savings to the Parking Authority not to exceed \$5,000 in accordance with applicable State law.

2) Employees who opt to participate in this program must do so for a minimum of one (1) year at a time. However, if an employee chooses to participate and then the spouse's coverage is terminated, upon proper verification of termination of other coverage, the Parking Authority will restore the employee, his or her spouse and/or dependents to coverage. Where an employee participates in the program for less than one full year, the Parking Authority shall be entitled, through payroll deductions, to recoup the pro-rated balance of the incentive paid. The employee shall authorize such payroll deduction, in writing, at the time the employee opts to participate in the program.

3) Effective upon the signing of this Agreement, the incentive paid pursuant to Paragraph 1 above shall be paid in equal monthly payments and appropriate deductions shall be made from the gross incentive amount.
